speed-i-Jet 798

Mobile Printing Magic

This pocket sized pioneer highlights German innovation. Your newest sidekick is lightweight, durable, and fully portable. With the Speed-I-Jet 798 think increased productivity and efficiency. Effortlessly print live date, time, sequential numbers, and alphanumeric text. When you need to print on to paper, documents, boxes, envelopes, mail, and any other uncoated/absorbent surfaces the 798 has your back. Consider it your new magic wand.

The speed-i-Jet 978 will only print on uncoated, absorbent (not shiny) paper or cardboard. It CANNOT print on plastic, metal, glass, or coated paper/cardboard
